ANDREW MCKINNON PRESENTS

DAVID HELFGOTT

"He magically turns the piano into an orchestra with a variety of sound colours. He plays the piano right from the depth of his feeling and his fingers enable him to accomplish sheer miracles."

Bonn

Australia's most remarkable pianist performs at the Theatre Royal.

David Helfgott became a household name with the release of the movie *Shine*, which celebrates his inspiring early life, and which propelled Oscar winner Geoffrey Rush to stardom.
