THE THEATRE ROYAL AND CRITICAL STAGES PRESENT AN ALBEDO PRODUCTION

DEALER'S CHOICE

BY PATRICK MARBER

"...the perfect mix of actors, a strong script, wonderful direction and a perfect night of entertainment."

Broadway Australia

There's no such thing as easy money...

Dealer's Choice is much more than just a comedy. It is a compelling story of father-son relationships, male bravado and a secret window into the world of men.

Set in a restaurant after closing time, it's usually the same old guys and their weekly 'friendly' poker game, but on this particular night there is a ring-in. One last dinner guest lurking in the restaurant volunteers to join the game. Unbeknown to the amateur poker players, he is a tough, uncompromising professional gambler, owed a large sum of money by the restaurant owner's compulsive son.

In the build-up to the inevitable poker game, the men's lives are revealed and secrets are divulged. *Dealer's Choice* crackles with scalding wit and edge-of-your-seat suspense as the stakes are driven to an almost unbearable knife-edge.
