## ANIMAL FARM

CREATED BY SHAKE & STIR THEATRE CO

Make Animal Farm Great Again, Again...

George Orwell's powerfully potent and profoundly popular allegory returns in a multi-award winning theatre production - served fast, furious and full of grunt.

Revolution has taken place at Manor Farm. The animals have overthrown their human masters and assumed control of the farm. Led by the charismatic porker Napoleon and fueled by enthusiastic camaraderie, a prosperous future free from the self-serving greed of humans is theirs for the taking. However, it is not long until the principles that promised equality become the shackles that bind the animals once again.

All animals are equal. But some animals are more equal than others.

Created by critically-acclaimed shake & stir theatre co, Animal Farm will be one of the most blisteringly relevant, fiercely physical and wickedly funny theatre events of 2021.

After being put out to pasture for much of 2020, live theatre is back - and more essential than ever.

This project has been assisted by the Australian Government through the Australia Council for the Arts, its arts funding and advisory body.

**Tour supported by arTour an initiative of the Queensland Government through Arts Queensland.**

### THEATRE ROYAL SAYS ...

Shake & Stir's adaption of '1984' blew us all away when it was here in 2014. The way they breathe fresh energy and life into classic tales makes them one of our favourite family-friendly shows in any season.
