DRILL PRESENTS

## LEVIATHAN

Hobart's youth dance company DRILL presents *Leviathan* - an embodiment of young people's frustrations, together with their hope for their world today.

*Leviathan* will be performed by a united DRILL company, assembling both junior and senior company members to create a relentless, reflective and powerful work. It brings to the forefront the voices, bodies, concerns and curiosities of today's youth. It unites their collective passion for change and fierce determination to create an unstoppable beast.

Within protest and change, sit hope, ambition and care. The delicate balance of these sensations create a rich palette for choreographic imagery, movement, aural landscape, and great storytelling. Young people see the world with fresh eyes and steel themselves to the task of shaping a better one with unparalleled vigour.

DRILL creates honest and dynamic work that defies expectations and continually surprises Tasmanian audiences - do not miss this offering.

**Leviathan is assisted through Arts Tasmania, the City of Hobart and Theatre Royal.**
