## SWANSONG

*"This show has been postponed and new dates will be announced for 2022. Patrons will be notified of the new dates shortly and all tickets will be valid for the rescheduled show"*

Set in the 1960s, *Swansong* tells the story of Austin 'Occi' Byrne (Andre De Vanny), the illegitimate child of a single mother in the Catholic west of Ireland. Shunned by church, state and family, Occi and his beloved Mammy are outcast and ostracized. After childhood bullying leaves him with mild brain damage Occi struggles to control his increasingly violent impulses as Mammy spirals ever further into alcohol abuse. Occi must fight his way to adulthood in a dog eat dog world. It's an exhilarating journey that plunges him into murder and mayhem, love and death, only to return him to the place where he began.

This acclaimed work directed by Greg Carroll promises to immerse the audience in a bleak and crushing world, and through redemption, shove them out again, transformed by the guttural and lyrical vernacular and the threatening yet gentle physicality of *Swansong*.
