## TRIPOD

*This show has been postponed. The new show date has been confirmed as Saturday 15 March 2022. See the new show page [here](#).*

In the twenty-plus years since they first appeared on the Melbourne live pub scene, the Tripod "lads" have delighted audiences from comedy clubs to symphonic concert halls and everything in between. They have also created numerous narrative musicals for the stage, as well as for children's cartoons and global videogame properties, picking up multiple awards and, through their constant work on television and radio (and, more recently, their popular podcast), becoming a much loved household name along the way.

Three-part harmony arranged with extraordinary complexity - accompanied by guitars and piano - make the backbone of a live Tripod concert; a loosely choreographed, expertly timed comedy show, with dynamics that change on a whim and snap back in the blink of an eye. Decades of playing on stage together have galvanised the boys into a world-class comedy showbiz juggernaut with whip-smart writing and musical chops to match.
