

VICTORIAN STATE BALLET PRESENTS

# THE LITTLE MERMAID

The Victorian State Ballet proudly presents *The Little Mermaid* in a full-length, magical, classical ballet production.

*The Little Mermaid* is a new work in the VSB repertoire. Created in October 2018, the ballet follows the narrative-based predominantly on the story by Hans Christian Andersen. This widely-known and much-loved story represented an opportunity to bring to life an underwater world inhabited by myriad sea folk and lively characters.

The choreography by Michelle Cassar de Sierra is a stunning display of classical ballet with elements of physical theatre that magically tell the tale.

**Choreography by:** Michelle Sierra & Martin Sierra
