

THEATRE ROYAL PRESENTS

ZOOM

BY PATCH THEATRE

Patch Theatre have become one of the leading theatre for young people companies in the world. Their innovative design and experimentation with new technologies creates visual theatre at its most magnificent and magical. This is a must for young audiences and families.

Combining old-school whimsy with state-of-the-art technology, *ZOOM* is an enchanting story of a child alone in her bedroom, unable to sleep and curious to understand. She begins a transformational journey with light and discovers that the dark is a magical place.

Adventures happen, and the audience must help a lost star find its way home. Part music video, part dream, *ZOOM* is a beautiful and immersive show that explores what dreams are made of.

Inspired by iconic children's book *Harold and The Purple Crayon*, *ZOOM* is driven by the power of 'child logic', combined with the magic of science.

ZOOOM begins at home or in the classroom, as we invite our audience to bring a piece of dark to the show. At the theatre, their dark is exchanged for their own personal light – a little spark that will keep them safe and help guide them through the interactive sessions of the show.
