

THEATRE ROYAL PRESENTS

WORDS AND MUSIC

WITH JOHN BELL AND SIMON TEDESCHI

Words and Music brings together two icons of Australia's theatre and concert stages - the inimitable John Bell and extraordinary pianist Simon Tedeschi - in a sneak-peek into life 'behind the curtain'.

Enjoying decades of celebrated performances between them, John and Simon take the audience into their confidence and share some wicked backstage stories from the Opera House to the Concert Hall, alongside some of their favourite pieces of poetry and music from recent years and their shows together, such as *Bright Star*, *Enoch Arden* and *Echoes of the Jazz Age*. With notes (both literary and musical) from Mozart and Beethoven, Schubert, Keats, and F. Scott Fitzgerald, topped off with some sizzling jazz, don't miss the promise of a delightful and entertaining evening with two of Australia's best-loved artists.

Music by Mozart, Beethoven, Schubert, Gershwin and more.

“there were too many highlights to mention... a memorable event where two simple recital formats, spoken words from the stage and solo piano were presented in perfect harmony.”
