BAWDY PANTOS PRESENTS

## THE WIND IN THE PILLOWS

It is no longer a secret. *The Wind in the Pillows* had to get out some time! So, the Bawdy Panto team has eased the pressure, put the squeeze on and let it rip. The issue is far too deadly to let it linger any longer. What happens when four anthropomorphised animals; Mole, Rat, Toad, and Badger find themselves trapped in the state's health system without a paddle? You'll just have to buy a ticket to the 2022 Bawdy Panto to find out, won't you? *The Wind in the Pillows* has been lovingly pruned for your enjoyment.

**Directed by:** Ingrid O'Hara

**Musical fiddling by:** Matt Ives

**Original script by:** Daryl R Peebles
