JUDITH LUCY & DENISE SCOTT

STILL HERE

Denise Scott and Judith Lucy know what the whole country is wondering, how did they cope with a global pandemic and the endless lockdowns of the last two years? Well, it turns out they were in lockdown together dealing with the same big questions as everyone else: how many meals can I eat in one day? Do I have a drinking problem? (Specifically, if I go to the toilet in the middle of the night and on my way back to bed I stop and have a gin and tonic, does that mean my drinking problem has gotten worse? Or does it mean I'm living my best life?) Will I ever wear a bra again? Should I trim my goatee or go the full on beard?

Join Jude and Scotty for what could loosely be called a play – think Waiting for Godot meets Flying High – that is not only full of shameless gags but sees them confronting their greatest fear. Intrigued? Don't be. Just buy a ticket.

The last time Jude and Scotty teamed up and hit the road it was 2017, a simpler time. Their critically acclaimed, smash-hit show Disappointments, sold more than 70,000 tickets nationally and won the 2017 Melbourne International Comedy Festival's People's Choice Award. They can't wait to be back out there.
