NXTGEN PROJECT PRESENTS

## AROUND THE WORLD

A journey into new cultures following the NXTGEN crew who have been offered the exciting opportunity of touring their show "Around the World"

### NXTGEN PROJECT

NXTGEN Project takes dancers to the next level, giving them exposure to an authentic production environment guided by some of their favorite choreographers. Students will get the unforgettable experience of learning an entire show over 8 days and then performing it in a theatre.

"From our experience of working professionally in the performing arts industry, it is often elements other than the dance itself that young dancers struggle with once they start their own careers. We aim to equip our dancers with some of these tools as well as provide a project that they will never forget - and that is like no other!" NXTGEN Project.
