# What is The Bleeding Tree about?

*When a family is driven to breaking point,  
there is no telling where their vengeance will lead them.*

The Bleeding Tree brings one of Australia's most successful and awarded plays of the decade to Hobart. Critics have hailed Angus Cerini's morbidly hilarious fable as "powerful, visceral and deeply exhilarating" theatre "unhesitatingly recommended".

Winner of the Griffin Award, Helpmann for Best Play, and an AWGIE, this is vital, confronting and urgent theatre. Marta Dusseldorp stars as the vengeful matriarch in this defiant, blackly comic tale of survival.

Director: Ben Winspear  
Designers: Peta Heffernan and Elvio Brinanes
